**Subject:** MY ROOF IS AWESOME!!!

I told you I was going to return the sample packet but.....I have a coworker that is thinking about a new roof so I am giving it to her. Her roof is coming up to 20 years and she is just thinking about replacing before any issues. Im hoping her neighbors will think the same☺ Her name is Megan Panicucci, Margaret Lane, Billerica. Im sure you will be hearing from her.

Thanks again, Great job and Great crew!!
