I highly recommend Morgan Construction for your roofing needs. From the first interaction with Bill to get an estimate scheduled through the completion of the project they were a pleasure to work with. The project ran on time and on budget, there were no surprises along the way and the end result was perfect. I am still chocked at how quickly the team worked to get an ~~brand new~~<sup>old</sup> roof off and a new one on just in one day. Amazing work guys - thanks again.
