

Dear Mr Morgan,

June 5, 2017

I am very happy with my new roof. You have wonderful professional people working for you. I dealt with Bill Love from beginning to end. He is great.

Your crew was so polite and cleaned up after the job. My property looked perfect, except for two bayberry bushes. I did call Bill and tell him. I am fine with it. They should come back. I have a huge property, so its amazing that all that happened.

I found your company by the ad in St Michaels Bulletin. I will definatly recommend you to others.

Sincerely,  
Joan and Tom Perrace
